The diagram illustrates a dependency or inheritance relationship. Three source boxes on the left, each with a black border and white background, point via blue arrows to a single target box on the right. The target box has a gray background and a black border. The source boxes are labeled 'GRPD::BC::ConvectionBC::ConvectionBC', 'GRPD::BC::HeatFluxBC::HeatFluxBC', and 'GRPD::BC::TemperatureBC::TemperatureBC'. The target box is labeled 'GRPD::BC::ThermalBC::ThermalBC'.
