The diagram illustrates a dependency or inheritance relationship. On the left, two white rectangular boxes with black borders contain the function names 'GRPD::Field::MechanicalFields::registerFields' (top) and 'GRPD::Field::ThermalFields::registerFields' (bottom). On the right, a gray rectangular box with a black border contains the function name 'GRPD::Field::FieldManager::registerField'. Two blue arrows point from the right side of each white box to the left side of the gray box, indicating that both source functions depend on or inherit from the target function.
