The diagram illustrates the relationship between three source files. At the top is a header file, 'PDCommon/IO/include/VtkWriter.h', which is highlighted with a gray background. Below it are two source files: 'PDCommon/IO/src/VtkWriter.cpp' on the left and 'Src/Engine/src/SE_Output.cpp' on the right. Two blue arrows point from each of these source files up to the header file, indicating that both source files include this header.
