

PDCommon/IO/include/Writer.h

```
graph TD; A[PDCommon/IO/include/Writer.h] --> B[fstream]; A --> C[string]; A --> D[vector];
```

A diagram illustrating the includes of the file PDCommon/IO/include/Writer.h. The top box, labeled PDCommon/IO/include/Writer.h, has three blue arrows pointing down to three separate boxes below it. These boxes are labeled fstream, string, and vector, representing the standard library headers included by the Writer.h file.

`fstream`

`string`

`vector`
